

Bible Study for July 19-25, 2021

Read: Ephesians 3:14-21

Notes:

We have been rooted and grounded in the love of Christ, which surpasses all human knowledge. Because Christ dwells in our hearts, our lives are continuously strengthened and empowered by the ongoing presence of the Spirit.

Questions to Ponder:

If you have seen an ocean, how awed were you by its vastness? Are there any other views in nature that cause the same kind of awe?

What types of things does Paul pray for the Ephesians in these verses?

The book of Ephesians is only 6 chapters long. Can you think of a reason Paul might include such a prayer halfway through his letter?

According to verses 18-19, how might we be able to grasp just how vast and awesome God's love is for us?
