

Bible Study for February 14-20, 2022

Read: 1 Corinthians 15:35-38, 42-50

Notes: In the Apostles' Creed we speak of the "resurrection of the body, and the life everlasting." Using the metaphor of a planted seed and the story of Adam, Paul preaches passionately about the mystery of following Christ's perfect life into eternity.

Questions to Ponder:

As a teen, what did you like least about your body? What did you do to try to change that?

As an older person, what do you fear about your changing body?

What practical problem undercuts belief in the resurrection for some of these people? (see vs 35)

How does Paul's analogy with the seed deal with this objection?

What does this teach you about the resurrected body?

What is the most comforting thing here for you as you consider the reality of your own death?
