

Bible Study for January 30 – Feb 5, 2023

Read: 1 Corinthians 2:1-16

Notes:

Though people such as the Corinthians are enamored with human philosophy and wisdom, Paul continuously presents God's hidden wisdom which is Jesus Christ crucified. True spiritual maturity involves judging ourselves and others in light of God's revelation in the cross.

Questions to Ponder:

What is one thing your parents refused to tell you by saying "You'll have to wait until you're older?"

In what area are you a specialist? How did you achieve that status?

Going by verses 1-5, how much of a specialist was Paul when he came to the Romans? By what method do you think he improved over time? Would you be able to do the same?

From the way Paul speaks about "wisdom", what do you notice are the differences between human wisdom and God's wisdom?

What do these verses tell you about how we discover God's wisdom?
