Read: Romans 5:12-19

Notes:

Paul reminds the Christians at Rome of the foundation of their creed, the confession of faith in the risen Christ as Lord.

While original sin brought guilt and a desire for more sin, God send us Jesus to begin a new way by redeeming us from the cycle of sin and the promise of everlasting life.

Questions to Ponder:

What quirks did you inherit from your parents? Do you see yourself reflected in any way in your children?

When have you made a decision that affected others in a bad way? Does this help you understand verse 12? Why or why not?

How do these verses increase your understanding of God's grace? Your understanding of Jesus purpose in coming to earth in physical form?

God has watched generation after generation fall for the temptations of sin. What can we do to help break such a cycle?
